The Herding Introduction to Stock is designed to evaluate a dog's herding potential & is a hands on experience with you & your dog on sheep. No prior herding experience is necessary in order to participate and is open to dogs of all breeds (NOT limited to AKC Herding Breeds). Dogs showing potential will receive a certificate. Fee \$20.00 per dog. Handlers may enter more than one dog and every effort will be made to ensure that any one handler's dogs will not go in the ring consecutively (unless specifically requested).
